COMPARE SEARCH RESULTS

Directions: While viewing Slide 10 of the Internet Search Tools PowerPoint, record and describe the results of each search tool based on a search for “camping sites in NC State Parks.”

Site	Search Tool	Number of Results	Description of Results
www.google.com			
www.dogpile.com			
http://www.lii.org/			

Which search tool provided the most relevant results, based on the premise that you are looking for camping sites in the NC State Parks?
