

Student Name: _____ Period: _____ Date: _____

INDEPENDENT PRACTICE: WEB PAGE EVALUATION

Directions: In this activity, **you will work with a partner** to validate a webpage by answering the questions below.

URL of web page: _____	
Examine the URL	
1. What does the suffix indicate about the website? (What type of website is it?)	Yes or No
2. What else is indicated by the URL?	
a. Is the URL consistent with the content on the web page?	Yes or No
b. Does it appear to be a personal web page? (indicated by ~, %, users, personal members, or people in the URL)	Yes or No
Review the content	
3. Who created the page?	Yes or No
Can you find information elsewhere that confirms the author is who he/she claims?	Yes or No
4. Does the page contain obvious spelling and grammatical errors?	Yes or No
5. Is the information authentic?	
Can you find links/sites that provide information to verify that the content is real?	Yes or No
Based on your analysis of the data, is this website valid?	Yes or No
